

Los Angeles Unified School District
Emerson Community Charter School
2023-24 Vacancy Announcement for

Math Teacher

Emerson Community Charter is a 6-8 middle school located in Westwood near UCLA. We are looking for an innovative teacher to become a part of a school community committed to providing students with rich experiences in and out of the classroom. Teachers are expected to work collaboratively in departments to design curriculum that meets the demands of 21st Century learners. All teachers are members of one of our four academies STEM, SPORTS, ARTS & MEDIA, and LEADERSHIP. The academies are designed to provide students with project-based experiences everyday in a separate period outside of the academic schedule. Emerson is home to a diverse community of 630 students. We are a school that prides itself on building socially aware and tolerant students.

A Math teacher at Emerson teaches both general and Honors classes for 7th or 8th graders. Differentiation between the two is necessary to meet the demands of gifted students and the intervention needs of the general students. Experience with project based instruction is required to meet the demands of the Math Standards.

Desired Qualifications:

- Ability to engage gifted students using differentiated instruction.
- Ability to teach Accelerated and Highly Accelerated Math
- An interest in curriculum development specifically the design of project based lessons.
- The ability to use formative assessment to inform instruction.
- A commitment to communicating to parents in person, through email, and by phone.
- The ability to communicate instructional goals to students and parents through the use of online environments such as an electronic grade book, web groups, and simple webpages to facilitate parent participation in their student's education.
- Teachers are required to share an extra-curricular interest or hobby that is the basis of an academy class. Intervention is also an option.
- A willingness to explore and use technology to deliver classroom instruction.

Candidate must be on the LAUSD approved hire list

To apply:

Email your resume, cover letter, and at least two letters of recommendation to
Principal Dimone Watson at:
