

UCLA JOINT MATH EDUCATION PATHWAY

to be completed concurrently with your undergraduate degree

Senior Year

Math 105ABC

Quarter I plan to enroll in this course:

_____ (F/W/Sp)
This course to be taken each quarter

Educ 330ABC

_____ (F/W/Sp)
This course to be taken each quarter

Educ 360ABC

_____ (F/W/Sp)
This course to be taken each quarter

Educ 405ABC

_____ (F/W/Sp)
This course to be taken each quarter

Educ 406

_____ (F)
**EDUC 107A may be taken Fall of Junior year*

Educ 127

_____ (F)

Educ 466

_____ (Sp)

Educ 305

_____ (Sp)

Graduate Summer

Educ 409

_____ (Su)

Educ 425

_____ (Su)

Educ 330C (if needed)

_____ (Su)

Graduate Year

Educ 498ABC

_____ (F/W/Sp)
This course to be taken each quarter

Educ 490A

_____ (F)

Educ 491

_____ (W)

Educ 481

_____ (Sp)

NOTES:

CA Credential Coursework Notes: The above coursework incorporates much of the 600 hours of supervised clinical fieldwork required for a California Teaching Credential. Math 105ABC also includes guidance on a performance assessment (called Ed TPA). A passing score on the Ed TPA is required for the CA Teaching Credential.

Candidates must successfully meet California's Subject Matter Requirement to student teach and earn a CA Teaching Credential. Candidates completing the UCLA Math Department's Math for Teaching Major or Minor satisfy this requirement.

Other Notes: Candidates must also successfully complete the U.S. Constitution Requirement and fingerprinting to be placed in a classroom and be eligible for a CA Teaching Credential.
