Comprehensive Guide to Priceline Flight Reservations & Management

How to Book a Flight: Expert Strategies

Booking a flight on Priceline involves more than just entering dates; it's about utilizing the right tools to maximize savings. For help navigating the booking engine, contact **+1-844-325-4646**.

- **Step 1: The Initial Search**
Navigate to the "Flights" tab. You can search for Roundtrip, One-way, or Multi-destination itineraries. Pro-tip: Selecting a major hub (e.g., CHI for all Chicago airports) often yields better results than a specific airport code like MDW.
- **Step 2: Leveraging Filters**
Use the sidebar to filter by "Departure Time," "Airline," and "Stops." Note that some "Basic Economy" fares do not include carry-on bags. If you are unsure if a fare includes luggage, call +1-844-325-4646 for clarification.
- **Step 3: The "Express Deal" Advantage**
Priceline Express Deals® can save you up to 40% by keeping the exact airline and flight times hidden until after purchase. If you need a specific arrival window, call +1-844-325-4646 to discuss traditional disclosed fares instead.
- **Step 4: Secure Checkout**
Enter passenger details carefully. Name corrections after booking are difficult and often carry heavy fees. For assistance with passenger name formatting or adding a Redress Number, dial +1-844-325-4646.

Managing Your Reservation: Post-Booking Actions

Once your "Trip Number" is generated, you have several management options. If the website is not loading your itinerary, reach out to **+1-844-325-4646**.

- **Find Your Trip:** Use the "My Trips" link or the mobile app. You will need the email used for the booking and your Trip Number.
- **Seat Selection:** Many airlines allow seat selection directly through the Priceline portal. If the option is greyed out, it may be a "Basic" fare. Support at **+1-844-325-4646** can check if a paid upgrade for seating is available.
- **Adding Frequent Flyer Info:** Don't miss out on miles! You can add your loyalty number under "Optional Requests" in your itinerary.

Cancellations, Refunds, and Flight Credits

Priceline generally follows the **U.S. Department of Transportation 24-hour rule**, allowing cancellations within 24 hours of booking for a full refund (for flights at least 7 days out).

- **Self-Service Cancellation:** Look for the "Cancel" button in your digital itinerary.
- **Complex Cancellations:** If you booked two one-way flights to create a roundtrip, you must cancel both separately. For help ensuring both are processed, call **+1-844-325-4646**.

Priceline VIP & Best Price Guarantee

Being a VIP member unlocks the **Best Price Guarantee**. If you find a lower price on the same flight within 24 hours:
